Welcome to the wonderful, unique and magical world of Michael Powell and our brand new bigger catalogue for 2007.

For those of you who are new to the designs of Michael Powell here is a brief resumé. Our designs are based on the beautiful artwork of Michael Powell. Michael is primarily an artist, but with a unique style that translates brilliantly into needlework, whether it is cross-stitch or needlepoint/tapestry. His love of buildings and architecture are the main inspiration for his work, normally created in pen and ink and watercolour. With the pen and ink replaced by backstitch and the watercolour palette replaced with the vast colour range of cotton or wool, it has become the perfect medium to further develop his style and introduce his art to a brand new audience.

Our designs cater for everyone from the most experienced stitcher to the beginner. The charts and instructions are clear and very easy to understand. The materials are of the best quality including Zweigart fabric and Anchor stranded cottons and for the New tapestry designs, printed Zweigart fabric and Appletons tapestry wools.

Michael has been busier than ever and has added several new designs to existing ranges including Mini Venice and Mini Greek Island to the Mini Kit range and Cottage Gardens 1 & 2. Venice Palazzo is another beautiful new triptych and Wedding Sampler 1 is the first of another a fantastic collectable series.

By popular demand we have launched a range of needlepoint/tapestry kits with two designs based on the best selling Pots of Love cross stitch designs. The two images are designed to be made into cushions. Details on page 22.

Michael's range of cross stitch kits are now well established in the market place, offering stitchers something very different, and the opportunity to create a piece of art of their very own.

All our designs should be available from your local stockist. For a list of stockists please call **029 2049 6000**.

Thank you:

To Julia and Sue for all their charting and design expertise and our stitchers, Norma, Debbie, Jenny, Carolyn and Tracy.
